HASHEMI & RAHIMI
CONTRACTING COMPANY LLC

WHO WE ARE

Hashemi & Rahimi Contracting Company LLC. began its journey in 1991 when Dubai and the Emirates was also beginning its transformation. We've grown together, experiencing challenges along the way, giving us the ultimate experience, knowledge and maturity when it comes to projects and builds.

Over the 27 years we have assembled a very experienced team comprising of Engineers, Fabricators, Electrical Technicians, Steel Specialists, along with experts in plumbing, carpentry and masonry. This talented team is supported by veteran Project managers, foreman's, Laborers and drivers.

Our Vision is simple, to apply and provide our 27 years of experience and knowledge to give our clients the highest quality standard of work in a timely and professionally executed manner.

Our mission, to use our wealth of links and connections to bring the latest products and services to ensure our clients have all options and possibilities to realize their projects.
